EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Nicholas Galo on January 23, 2006.

The application has been amended as follows:

Claims 15-30 are cancelled in accordance with the restriction requirement of September 27, 2005.

The following is an examiner's statement of reasons for allowance: the prior art of record all failed to show either alone and/or in combination a method for launching an aircraft having an envelope, the method comprising: introducing a lift gas and a second gas in a manner in which the two gasses are substantially separated, with a mixed gas formed between them.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
